Industry Potential

In last week's paper we reprinted an editorial by Mr. Oliver
Emmerich, editor of the Jackson State-Times, dealing with in-
dustrialization of states and communities. His take-off point
was the prospect of Standard Oil of Kentucky locating its
plant at Pascagoula and resulting the two constitutional
amendments voted on Tuesday.

The amendments are now history but in Mr. Emmerich's
editorial he also listed ten factors that make a community
good to live in and consequently one where industry is likely
to locate. Some of the ten Hancock county obviously has
recreation (we're tops), schools (we certainly have satis-
factory ones), hospital facilities (for our size we do mighty
well), municipal tax structure and services (we're O. K. but
could do better), churches (we're tops), home ownership
average (or better), etc.

On one item, number one in Mr. Emmerich's list, it seems
we would fail to get a passing grade—respect for law and or-
der.

We can't blame the sheriff and others responsible for law
enforcement, in most instances people we elected. To some
extent we could blame the north Mississippians who vote
against local option for alcoholic beverages and remind us of
the late Mr. Will Rogers remark about Oklahomians, "they'll
vote dry as long as they can stagger to the polls".

Nevertheless, we, including this editor, do flout our state
law on the matter of alcoholic beverages and in so doing
open the door for more serious problems (professional gambl-
ing in Harrison County for instance).

Hands, Let's Go

Mr. Kermit Nations talk to Rotary about the industrial arts
program at Bay High last week impressed us very favorably.
(For unknown people like us, industrial arts is the term now
used for what we called manual training.)

One point Mr. Nations made seemed particularly aimed at us
middle-aged people. He pointed out that in leisure time most
people want to do something with their hands and should so
do, and that his courses in school give the youngsters the
knowledge of how to use their hands.

We wish we knew more concerning the "how to" of all the
little jobs around our home. We would bet a lot of others are
in the same fix.

Would it be a good idea for Bay St. Louis to offer an adult
class in industrial arts?

Form Access to Hospital Eyed

Access to Hancock General
hospital during a storm ap-
proaching 1947's hurricane was
the theme of a short talk to
Rotarians yesterday by Mayor
John A. Scaffie. The problem is
due to the low point on Dunbar
avenue where it crosses Mag-
dalen Branch.

The outwardly easy solution
of access by a road through
North Bay Elementary School
from the subdivision of Henry
Chapman is complicated by
school system plans to provide
several athletic facilities at the
school, the mayor said. Among
the suggested solutions, how-
ever, was a road across the
back end of the school property
to Commagere Boulevard and
thence to the hospital.

proval of the Garden Isles sub-

\$25 a month pay increase from
an countywide fund for Mrs. Vera
McLeland of the chancery clerk's
office.

EVER HEAR OF OUR
10,000 MILE SUBWAY?

That's what you might call our vast system of pipe lines — an underground
"subway" supplying huge volumes of natural gas to more than 650 cities and
towns here in the Gulf South.
Over the past ten years we have invested an average of \$1,000,000 a week in
exploration, drilling and construction of pipe lines and other facilities to meet
the needs of our customers. That sounds like a lot of money — and it is —
but they're dollars well spent.
They're helping our customers to enjoy wonderful natural gas service... for
just pennies per day.

Polly At Waveland

A V-shaped formation of wild geese looked a bit premature winging their way across a cloudless heaven in the near 90-degree heat last Sunday—obviously their migratory instincts were correct, which probably goes to prove that even feel have more savvy than some humans, including your reporter, who sits shivering in a heatless house trying to get the typewriter warmed up with fingers literally shaking from the cold.

Our deepest sympathy is extended to Hazel Scott and family. Mr. Scott passed away last Friday and it was quite a shock to discover that he was 79 years of age. He had such a lively interest in everything and we loved to hear tales of his boyhood in England. He had quite an interesting career being a painter and a printer in addition to a musician of much talent. He perfected a trick of sitting for hours motionless which very few have been able to duplicate. He will sadly miss in and around our town.

Sympathy also to Clarence Strickland upon the death of his step-father, Jacob Usher.

Enjoying an informal neighborhood get-together at the lovely home of Zelda and Ken Waltham Saturday afternoon were Scotty and Wendell Watson of New Orleans, Ella Favre Jensen and her papa, 'Uncle' Jules, Marcelle Bradley (Mr. Bradley wasn't feeling well but hope he's much better before we go to press), Mr. and Mrs. Ed. Ruhr and daughters Helen and Laura and Mrs. Ruhr's sister, Mrs. Bateman of Metomb, and Margaret Warren.

Bea Has a Birthday

A group of Bea George's friends surprised her on her birthday last Thursday, Sept. 28—so we'll wish her a very happy belated birthday—greetings also to Carmen Pizzia who did a bit of celebrating Monday, Oct. 2.

Leaving Monday for New York City were Teena and Lambert Bordages, Mr. and Mrs. U. N. Durbin and Milton and Bobby Reiff who dropped in on their Aunt Bea George to bid her farewell before departing. We wish to extend sympathy also to Milton and Bobby and to Bea—there father who was Bea's oldest brother passed away last Sunday after a long illness—sympathy also to his three younger children who spent much of last summer visiting Bea and George.

We have a brand new romance flourishing almost under the nose of your not too observant reporter—Mrs. Helen Nadel and Mr. William Bozeman, she a widow and he a widower, are now a steady duo.

Mr. and Mrs. Wallace McConnell (she is the daughter of Mrs. John Thrasher) have purchased a home on the old Tom Hill property on Moor and Beach Blvd. in Clermont Harbor. Recent guests included Mrs. McConnell's daughter, Mrs. Thomas Preston who has just returned from a New York vacation, Mr. and Mrs. Frank Slovak, Mr. and Mrs. Hammy Montiel, Mr. and Mrs. Harold Lemant and the Georgies, Bea and George.

Get Well Wishes

The news is encouraging about most of our local patients—Mrs. Raymond Talbot is still hospitalized in New Orleans following her recent heart attack, but Mr. Talbot reports she is much better and he's hoping that the doctor will allow her to return home soon. Baby Bordages is another on the improved list at Hancock General and Dr. Justin LeVasseur, son of Mr. and Mrs. Edward LeVasseur, is also quite a bit better—his illness, a severe infection, is complicated by an allergy to penicillin and antibiotics. Belle (Mrs. Clem) Penrose is up and around again following her bout with a virus which kept her from attending a lovely party hosted by Mrs. Stanford Morse in the Pass last Wednesday.

Attracting many customers Saturday at their cake and cupcake stand on Coleman Avenue in front of the drugstore were Amy Lynch, Debbie Koenig, Susan Ferry and Gretchen Zeigler. The young ladies are once more amassing funds with which to purchase a pagan baby.

Miss Helen Rowley, a former resident—(she made her home on Hillcrest)—plans to spend the month of October in Waveland. Miss Rowley, who is accompanied by her sister, now lives in Dallas, Texas.

Babylove Bourgeois accompanied by her sister, Bea Thurman returned home from Monroe, La. last Sunday. She takes off once more Sunday for Mobile, Ala. to visit her daughter and son-in-law Mary Lou and Jimmy Parsons.

Welcome to Waveland

Welcome to Waveland Mr. and Mrs. Floyd J. K. Helting and small daughter who have moved into the home on Nicholson Ave. formerly owned by the Richardsons. Mr. Helting is an executive with the American Radio Association of the AF of L and CIO.

Welcome also to Mr. and Mrs. James C. Center who plan to move into their recently purchased home on Beach Blvd. around the first of the year.

Mystery of the Week

We'd like to know the whereabouts of the person or persons who completely cleaned out August Rauter's supply of persimmons from his Esplanade Ave. yard.

More get well wishes—to Ted Lyman who we are happy to hear is now on the road to recovery following his recent illness.

Derrell W. Shelton owner, trainer and breeder of race horses, a native of Oklahoma who has made his home in Bay St. Louis since 1951 leaves Friday for Jackson, where he will take the exam to obtain his real estate broker's license.

Stork Department

Time to catch up on two arrivals—Angie and Vincent Morreale are the proud grandparents around. Daughter Pat and son-in-law, Jerry, Gargiolo became parents of their first child, a little boy who weighed in at eight pounds, eight ounces in a Pascagoula hospital Sunday. We're over a month late with this bit of news, but little Faye Cecile Gilly, daughter of Mr. and Mrs. Ed Gilly, grand daughter of Mrs. Ernest Allgeyer and niece of Betty Kennedy, put in her appearance just about a month ahead of schedule. She was born on August 22 in New Orleans weighing four pounds. Due to her birth weight, her first weeks were spent in an incubator but she had gained the desired amount of weight to be allowed to come home last Friday, Sept. 29th. We know who's boss in the Ber Bourgeois family—Ben wanted to name his baby daughter Terri and Terri it is.

Oops—must correct an error of last week—William Ford was Ed LeVasseur's capable co-chairman for St. Clare's Parish Fair. . . our apologies to Mr. Ford for this slip-up.

Turnout Is Tiny

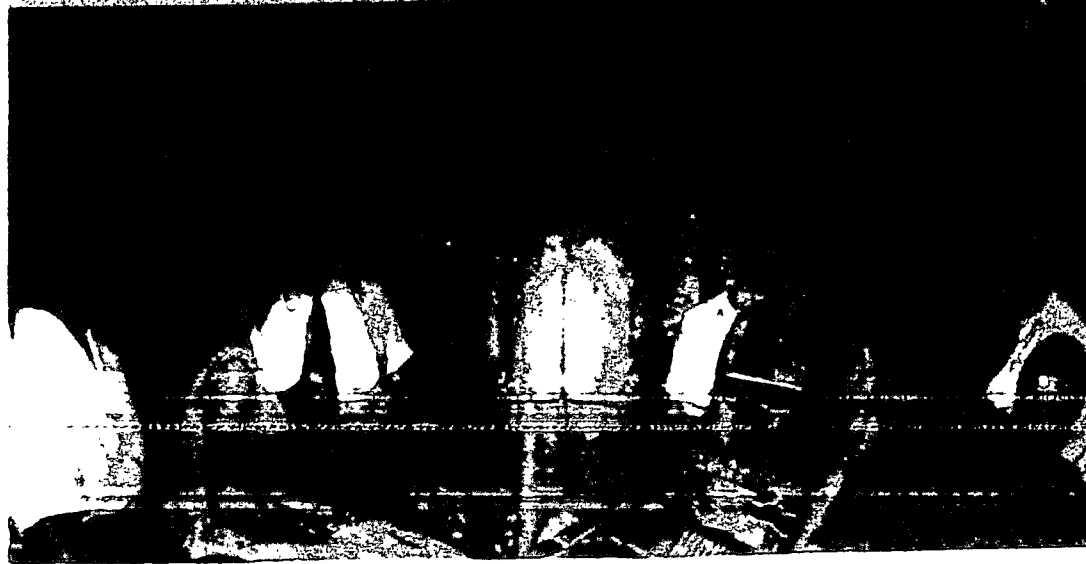

The comparatively small group attending last Saturday night's dance at St. Clare's Parish Hall had a wonderful time, but the tiny turnout was a disappointment to the chairman, Henry LeVelle's former friend, Louis.

The dance was given, not to make a profit but just to make enough money to pay the band and allow everyone to enjoy themselves, however, Henry states—if all people want the dance to continue, they'll have to show it by

attending those in the future.

Bonnie Wolfe will be looking like a million bucks wearing a lovely red black velvet hat and matching coat Friday when she leaves for the Crescent City to hear her fiancé at the Tulane outdoor concert at the state capital, Jackson, La. To be quite exact, she will be leaving on the 10:00 P.M. train for the service and entertainment of the Barber Shop Quartet singing to

DOISEAU SPEAKS AT FIRST OF LIBRARY SERIES

(Photo by Fayard.)

Currency Talk 1st Of Library Series

First of a series of cultural lectures designed to extend pupil interest beyond classroom limitations was presented at City-County Memorial Library Saturday afternoon by C. M. Douiseau. His topic was currency.

About 20 young people from North Bay Elementary School, Bay High School, St. Joseph Academy and Christ Episcopal Day School attended. The group had been selected by their teachers and will be expanded for the next lecture some time before Christmas.

Topics for the series were chosen on the basis of a survey last year of subject interest of the pupils.

Topics and speakers for the remaining four lectures, the final three of which will be given next spring, are rocks and minerals.

Mr. and Mrs. Loren W. Nease, a daughter, Karen Marie, six pounds, nine ounces, born Oct. 1 at Hancock General Hospital.

THE WAY - Masses of golden-red waving brilliant tassels much to the discomfort of bay fever sufferers - swarms of seagulls pulling up tangles as they flutter and swoop screaming hungrily - the sounds of windows and doors being slammed and the clank of the wrenches wielded by members of the local water and gas brigade turning on gas meters here and there.

Memphis Man Cites Education For Retarded

J. G. Lowenthal of Memphis, Tenn., who has spent 11 years working with retarded children's groups, outlined his experiences to the Hancock County Retarded Children's Assn. when it met last Thursday night.

He stressed the importance of educating the general public to the importance of this work, saying, "You must sell your community on this project in every way possible." Lowenthal was here to visit Mr. and Mrs. Joseph Scharff.

Also present for the session were Mr. and Mrs. John Mason of Gulfport. Mrs. Mason, president of the Harrison County retarded unit, asserted the local group must aim high in their endeavors but seemingly lesser things, especially to a new organization, were also important. She stressed the value of religious education classes for the retarded.

Peterson Aerials Pace Tiger Assault on Hawks

After taking a 20-0 halftime lead, the Bay High Tigers coasted to an easy 33-0 victory over the Hancock North Central Hawks Thursday night at St. Stanislaus Stadium in a Gulf Coast Conference game.

The Tigers scored the first time they got their hands on the ball, taking a North Central punt on the 49 in Hawk territory only to see a clipping penalty move the ball back to the Tiger 36. Fullback Bobby Van Calsem went four yards up the middle on the first play, quarterback Ronnie Peterson gained six on an end sweep, and Van Calsem picked up the first down on a three-yard carry. A pitchout from Peterson to halfback Donald Sauter went for 12 yards and another first down.

After short gains by Van Calsem and halfback Morris Lizano, Sauter spritzed for 12 more yards to the Hawk 23 and two plays later with the ball 22 yards away from the goal, Peterson hit right end Richard Schaefer for a touchdown. Peterson added the PAT from placement.

North Central's Junior Neccaise took the Tiger kickoff on the Hawk 10 and returned 21 yards to the 31. Fullback Ronnie Fletcher gained eight yards up the middle and halfback Neccaise got a first down on a four-yard carry to the 43. Quarterback Albert Wickham on a quarterback option play went for 11 yards, but Bay High's Alvin Lader recovered a Hawk fumble on the Bay High 66 to end the drive.

After a Tiger punt, North Central again began a drive but on the second time lost the ball on a miscue when Van Calsem picked up one of Wickham's passes on the Bay High 44. The Tiger all-conference fullback candidate went for nine yards to the Hawk 47, then gained three on a line smash, before a trick play pulled the Hawk defense off guard and resulted in a Bay High touchdown.

Peterson pitched out to Sauter who faked an end run and instead passed back across field to Peterson at the line of scrimmage. Peterson then evaded several Hawk tacklers en route to a score. He again lacked the extra point.

Midway in the second quarter, Bay High took the ball on their own 33 after a punt and a clipping penalty and proceeded to march 67 yards in four plays to score. Sauter gained 20 on the first play, Van Calsem rocketed up 16 yards to the Hawk 29, Sauter went 11 yards to the 18, and Sauter then scored on a quick-hitting smash through the line which found a wide opening in the North Central defense. Peterson's kick was blocked, keeping the score at 20-0.

The Hawks were again stopped and had to punt to Bay High just before the half, and the Tigers almost pulled off another score. Peterson hit Schaefer on a jump pass for 13 yards from the Tiger 46 to the Hawk 41, then threw long to Schaefer who made a nice reception at the 11. With time running out, Peterson again took to the air but missed three in a row, two of them almost complete to back Corky Schindler.

In the second half, Bay High wasted no time in increasing their advantage. Mike Lee returned the Hawk kickoff to the Bay High 26. After a one-yard gain by Van Calsem, Peterson went around end for 34 yards and a first down on the North Central 39. Sauter gained 18 yards on the next play, then took a 21 yard pass from Peterson for six points. The kick was blocked for the second straight time.

North Central took the ensuing kickoff and started a drive from their own 37. Neccaise went for three short gains, and Fletcher carried three times for small yardage, and aided by a pass interference call, the Hawks took the ball to the Bay High 26. Alfred Watts intercepted a Wickham pass, however, to stop the threat. Bay High promptly moved 72 yards in four plays to score.

Van Calsem gained seven yards from the Tiger 28 to the 35 and a piling on penalty against North Central moved the ball to the 50. Peterson hit Schaefer on a 25 yard aerial to the 25, then threw the remaining 25 yards on the next play to Schindler. On a fake kick, Peterson hit Schaefer for the extra point on a pass play.

North Central threatened several times in the remaining stages of the third quarter and all of the fourth quarter to score on Bay High's reserves, once getting to the Tiger four yard line and again to the ten, only to be stopped on downs.

The Hawk offense featured good running by halfback Neccaise and fullback Fletcher. Richard Hill played a good defensive game for the Hawks and also handled the punting chores. Alfred Watts, Davey Smith, and Van Calsem looked good on defense for Bay High.

This Friday Bay High entertains the Harrison Central Red Rebels at St. Stanislaus Stadium, with kickoff time slated for 8 p.m. The Tigers of Coach Lance Lumpkin now have a 2-1 record and a 2-0 conference mark.

Watch Saucier and Schaefer

Football Coach Lance Lamphkin of Bay High must have pleased Thursday night with the surprisingly good play of his players. The Tigers were known to have two outstanding backs in quarter-back, 1961, and fullback Bobby Van Calsem, but Saucier's work gave the defending Gulf Coast Conference champion a balanced attack.

Saucier was by far the game's leading ground gainer, picking up 94 yards in eight carries for an average of almost 12 yards a try. Only twice did he fail to gain at least 10 yards; once he gained a respectable seven yards and the other time he was held for four yards behind the line of scrimmage before he could gain any momentum. In addition, he scored on a 21-yard pass from Van Calsem and as if that wasn't enough, threw a touchdown pass to Van Calsem after taking a pitchout. He scored one other touchdown on a 16-yard run.

Considering this was the first time he had started at halfback, Saucier was even better. Saucier last season was second-team quarterback behind Peterson and had played at end before the North Central game.

Leading Receiver

Saucier was the game's leading receiver, snagging five passes. He caught a 22-yard aerial from Peterson for the first of five Tiger touchdowns early in the first quarter and also scored one extra point from Peterson. He and Peterson collaborated again later in the game on a 25-yard pass play to set up one touchdown and a 25-yard pass for Peterson. Peterson threw two times straight to Saucier, on a 13-yard pass for 13 yards and the other good for 30 yards, moving the ball from the Bay High 46 to the Central 11.

You are accustomed to seeing the Central's star receiver, R. A. D., in the fourth quarter of the game, but this time he was in the first quarter. The game was a close one, but the Central's defense, especially on pass defense, and teams like Long Beach, Perkinsville, and Ocean Springs figure to give Saucier and Van Calsem more competition, but if the two can continue to play like they did last week, along with Peterson, Van Calsem, and an improving Van Calsem, they might move right into contention for this year's conference title.

The Oct. 12 game against Long Beach should tell the story, however. Long Beach has won three straight, beating St. John's 40-7, Ocean Springs 19-13, and Perkinsville 47-12 last week, and the fact that they were playing without two or three of their star players. It's also interesting to note that Perkinsville's Carriere 13-0 earlier in the season, and as Tiger fans know, Carriere upset the Bay boys 14-7 two weeks ago.

Spotlight on the Engineers

Several important games are on the Southeastern Conference schedule this weekend, with much of the excitement to take place in Baton Rouge where Georgia Tech meets LSU in a night affair. Tech shocked high-ranked Rice last week 24-0 and are now ranked 12th in the nation. The Tigers dropped a 16-3 decision to Rice a week earlier and were forced to stage a fourth-quarter rally to beat Texas A&M 16-7 last week.

We picked LSU to win the SEC crown before the season began and with them even after the Rice game, but Georgia Tech's big win over Rice makes things interesting. The Yellow Jackets are the choice of most people, but you have to give LSU 10 points to go with as the game is in Baton Rouge, and we believe that the Aggie offense jelled in the final quarter against the Aggies and will carry over this week. The smart thing to do would be call it even, as that's not fair and we still think LSU has a good team. Anyway, Suover Georgia Tech.

In the second-most important game, Alabama invades Nashville to play a good Vanderbilt team just itching to upset the Crimson Tide. Alabama had one squeaker last week, however, and should be able to win with anything the Commodores have to offer and beat Vandy. Rounding out the schedule, Auburn is our pick over Kentucky, Florida over Tulane, Mississippi over South Carolina, and Georgia over Mississippi State, and Georgia over South Carolina.

Last week we were right five times in eight attempts, missing on the Tech-Rice and Georgia-Vandy games while Florida and Florida State battled to a tie.

Series Chatter

The World Series began Wednesday and to the surprise of many, the Cincinnati Reds are in it. The Yankees are overwhelming favorites and took the all-important first game 2-0 Wednesday afternoon at Yankee Stadium.

Cincinnati will be no pushover but losing the close game might hurt their high spirit, especially since one of their top pitchers, Nym L. Blyden, absorbed the loss. The Yanks have much raw power in Roger Maris, Bill Skowron, Elston Howard, Yogi Berra, and Mickey Vernon, and company that the loss of Mickey Mantle didn't hurt one bit in the opener. If Cincinnati can win over Ralph Terry Thursday, they should have a chance to win the next three games in Cincinnati. If not, the Yanks will probably win in no more than six games, maybe even in four.

Side Bars

August Ramet, Jr., August Ramet, III, and David Carter went fishing last week and came home with the limit of green trout.

Mr. Frank Lagarde and Frank, Jr., enjoyed an all night fishing trip near Biloxi during the week, coming home with a supply of bonito. Frank also caught a large mackerel.

Monday and Tuesday brought especially good shrimping and a lot of fish were caught off the seawall.

Rabbit season opened Monday. It won't end until Nov. 2; the limit is five per day.

Former Bay High tackle Jim Mayfield and former St. Stanislaus basketball player Leary saw action Thursday night at Perkinsville Junior College when the Tulane Grease frosh of which they are members, topped a 14-13 decision to Perkinsville.

Picayune Scores on Kickoff To Swamp Stanislaus 33-9

Picayune's Maroon Tide scored on the opening kickoff Friday night and went on to easily defeat St. Stanislaus Rockchaw 33-9 on their home field.

Fullback G. H. Jordan ran back the Rock kickoff 86 yards to give the Maroon Tide a 6-0 lead before a play could be run from scrimmage. The extra point attempt failed.

Stanislaus took the Picayune kick, but was forced to punt after making several short gains. Fullback Dusty Rhodes' punt was accidentally touched by a Maroon Tide player and recovered by Stanislaus on the Picayune 19 and two plays later quarterback Golden Jones circled his own right end for 18 yards and the tying touchdown. Jones then sneaked across for the extra point giving the Rocks a 7-6 lead.

Picayune suffered the loss of first string quarterback J. Carroll in the early moments of the game, but with reserve signal caller Granville Stockstill drove for their second touchdown after receiving the Rockchaw kickoff. Fullback Joel Pigott took care of most of the yardage on a 25 yard run from his own 47 to the Rocks 28. Halfback Louis Farrell scored the touchdown on a 15 yard run. Stockstill added the extra point and Picayune carried a 13-7 margin into the second quarter.

Early in the second quarter, the Rocks took a Picayune kick deep in their own territory and on an eight yard run by halfback

Waldo Caceres and a ten yard sweep by Jones seemed to be headed again for the Picayune goal before halfback J. Mitchell intercepted a pass and returned it all the way to the Rock 14. Farrell went over from that point on the first play. The PAT was good and Picayune led 20-7.

The Rocks couldn't mount an offense and had to punt but received a break when a Maroon Tide fumble was recovered by center Mike Massburn on the Picayune 48. After a clipping penalty set the ball back 15 yards, however, the Tide again picked off a Rockchaw aerial and returned to the Stanislaus 36. Pigott accounted for six points on a short run after a screen pass had taken the ball deep in Rockchaw territory. The extra point attempt missed and the halftime score was 26-7.

Stanislaus took the second half kickoff and rucked up one first down. Jones on a keeper play gained three yards, Rhodes hit the middle for six and Caceres gained three more before a fumble gave the ball to the Maroon Tide and led to another Picayune touchdown.

A 19-yard pass from Stockstill to halfback R. Dossett set up the Picayune score, and Pigott capped the 40 yard drive with a six yard run. The extra point was made.

Stanislaus almost scored in the waning moments of the third quarter when halfback Ray Rellity returned a Picayune kick from his own 26 to Picayune's 45 end of the field only to be stopped at that point. Picayune kept the

Rocks from getting any closer, however, and the third quarter ended 33-7.

With both teams playing chiefly reserves, Stanislaus recovered a fumble on the Maroon Tide 35. Pete Merritt went for eight yards, Larry Geun got a first down on a three yard carry, a pass from quarterback Paul Passulo was good for eight yards, and Barry Boasberg went through the center of the line to the 12 for a first down. Merritt carried to the eight on the next play but two incomplete passes and a penalty stopped the drive although Merritt came within three yards of making another first

down when on fourth and 11, he carried to the Picayune five. Although St. Stanislaus didn't get a touchdown, on the first play the Picayune ball carrier was tackled in the end zone for a safety, accounting for the final score of the game.

Danny Boudoin, Bruce Anthony, Mike Massburn, Arthur Wynn and Caceres all played good defensive ball for the Rocks and Dusty Rhodes got off several good long punts.

Sunday afternoon, Stanislaus meets Catholic High in Baton Rouge. The next home game will be Oct. 20 against Harrison Central.

Halftime entertainment for Friday night's game was provided by the nationally-famous 100-

piece Picayune band. The Joseph Academy Rockchaw also took part in the program.
